

Dear Jones, Forget this when we spoke just now. Had it checked for me when I first got interested in the Dal*Tex Bldg. Dick probably has more recent information, but there is the chance the more recent information is not what was true 11/2/2/63. There are a few things I may be able to accomplish by phone on the Sharp bit. I'll try tomorrow. It may take several days for me to know, but if I develop anything I'll let you know. It is just possible I can find more information on that arrest. Can you tell me how important knowing more may be? Time is the problem and I'll have to find someone to do it for me. But either tomorrow p.m. or Friday I'll make a quick trip to the Archives on it, if I possibly can. I've a hunch I know where to look.
