Dear Mr. Weinberg -

Thank you so very much for the books & Autographed by you to me - It was so very kind of you - & I shall treasure them always -

I see your thinking on Oswald - I agree on a general over-all basis. But - still have my doubts - in this (ACU) particular instance, you should know better than I, however,

Have you considered sending a book to "Hugh Downs" NBC - "Today" - ^{show} - ~~He~~ seems to glory in the opportunity to help someone - who is anti-establishment

I'm behind on my reading & clipping - But - there hasn't been much to miss. Zero - Columbus papers - N.Y.T. only - Joe Tonahill - Tax Evasion - deal (Calip lounge)
The ^{N.Y.}T.P. - might be of interest - So I enclose same.

I finished your book - & words are beyond describing my admiration for you -
My Sincerest Best Wishes
Leo J. Hatfield
