

Hays 2/14/71

Trawl out down 29 - day Ray

got rifle  
in hand

From sequence -

10-12 pellets out throat

Berry Throat on sat with

lady on way to hospital -

accident - just cut - just put

in but not bleeding - throat

x wound like shot gun.

Fired another slug - showed

Waxes - could show prog.

Fireman Foreman - "King of the  
court room"

Lt Gormley, found pkg. within

2 minutes on Radio 6:04

Empty cartridge in bathroom -

shown away

De Soto - on way to h. o. - flat - helped

put rifle in trunk then

n. o. now makes sense.
