Dear Mrs. Weisberg:

Thank you for the reply to my letter and the return of the check. I am enclosing a replacement check to cover a copy of WWII whenever it is completed.

Believe me, I can appreciate the problems you both are facing as I have been deeply involved with this thing for a long time as well. I would be more than fascinated to hear of any further definite developments (don't worry, I'll buy the books anyway!) and would like to offer my services and assistance in any manner that would facilitate matters for you and bring the entire matter to a head at an earlier date.

Let's keep in contact at any rate, and anything you can tell me or anything I can do please let me know.

Sincerely,

John Henderson

Dear Mr. Weisberg:

I am enclosing the coupon attached to your circular, plus my check for \$5.00 to cover the cost of sending me WHITEWASH III, which I eagerly await. I too have been actively engaged in investigating the Kennedy-Oswald murders and the mass of conflicting testimony, the numerous errors and omissions, etc, and your volumes have been of considerable aid to people such as myself. I would very much like to get together with you in the near future, perhaps this summer, and discuss your findings and your progress, with perhaps a small assist from items uncovered by my own spadework.

On behalf of those of us in this country who seek the truth as opposed to the answers most comfortable to hear, I want to thank you for your efforts and congratulate you on your work in the face of continued harassment and administration efforts to stop you.

Yours sincerely,

JOHN HENDERSON
