RE: Philippe# Thyraud de Vosjoli

The State Department list of Embassy personnel for the French Embassy in Washington, D.C. includes the name Philippe Thyraud de Vosjoli from August of 1959 until November of 1963. This indicates that he was first listed as attached to the embassy sometime between June and August of 1959, since he was not on the June list but did appear on the August list. He last appeared on the list in November of 1963 and was not on the list for February of 1964. He was near the bottom of the list and moved up only one position during that period. While most of the personnel on the list had more illustrious titles, he was listed only as an "attache."

In 1959 and until the list of December 1961 his address was listed as:

4512 McComb Street NW
Bethesda, Maryland

As of December 1961 and until he went off the list, he was listed at:

7009 Wilson Lane
Bethesda, Maryland

During the entire period he was on the list he was listed with a wife.

Note: Andre in Uris' book was allegedly there for a different time interval, but perhaps he was in some way attached to the embassy but not listed. No information is available to us at the time of the writing of this memo to evaluate the absence of a name from the list issued by the State Department.
