Mr. Harold Weisberg,
Hyattstown, Maryland 20734,

My dear Mr. Weisberg:

Thanks for your note of October 22nd.

Since my getting the material mentioned in my letter to you of October 18 completed and in circulation is now less pressing than when I wrote you, I can now obtain from the consulates and embassies of the several countries in which the several institutions are located, the information which I sought and obtained from the British Consulate by writing a letter to each similar to the letter which I wrote to the British Consulate. Therefore please return to me at your earliest convenience the enclosures which I sent with my letter of October 18. Such material will be useful to me in the making of such inquiries.

Also please advise whether you can and will request some one there to send me the ten page article from the London Sunday Times which was indicated in my note of October 19.

Thanking you sincerely, I am, Sir,

Very respectfully yours,

Curtis E. Hill.
