NOTE: We received a letter from Erich F. Klein, Jr., Dallas, Texas, who is representing Marina N. Oswald Porter, former wife of Lee Harvey Oswald concerning a claim made against the U. S. to recover value of evidentiary items taken from Marina and/or Lee Harvey Oswald following the assassination of President Kennedy. In Klein's letter, he stated a claim was made for loss or damage to personal property caused by negligence or wrongful acts or omissions of the employees of the FBI. The Department has been handling this entire suit and was handling the reply to Mr. Klein disclaiming any negligence or wrongful acts on our part. We wrote to the Department on 6/3/70, requesting a copy of the Department's reply. We have not received to this date a copy of the reply, and this is a follow-up letter to remind the Department we are still interested in receiving this communication.
