Re memorandum of Director, FBI, to The Deputy Attorney General dated 2/9/70 captioned "PAUL L. HOCH; REQUEST FOR INFORMATION IN FBI REPORT," with copies to New Orleans and Dallas.

On 2/12/70 CARLOS QUIROGA, 3134 Derby Place, New Orleans, La., was contacted, at which time he advised as follows:

QUIROGA stated he recalled being interviewed by SA JOHN T. REYNOLDS of this office in November, 1963, after the assassination of President KENNEDY, at which time he furnished his information on a strictly confidential basis since his father was at that time imprisoned in Cuba and his mother still lived there. He informed that this information related to his obtaining an FPCC handbill he had acquired and subsequently contacting OSWALD at OSWALD's residence, 4907 Magazine Street, and the conversation which transpired between him and OSWALD.

QUIROGA advised that he no longer desires this information he furnished or his identity to be kept confidential. He stated he now has no objection to his identity or the information he furnished being disclosed to anyone because his parents are no longer residing in Cuba.
