Mr. J. Edgar Hoover  
Director, Federal Bureau of Investigation  
Department of Justice  
Washington, D. C. 20530

Dear Mr. Hoover:

I am glad that we had the opportunity to discuss personally on January 28, 1964, the allegations to the effect that Lee Harvey Oswald was an informant of the Federal Bureau of Investigation.

Since our meeting, the Commission has received many helpful materials from your office concerning these allegations. I wish to acknowledge receipt of your letter dated February 6 and 12, 1964, enclosing your own affidavit as well as various affidavits submitted by agents of the Federal Bureau of Investigation who interviewed Lee Harvey Oswald or had responsibility for the supervision of Bureau informants in the areas where Oswald lived. I trust that the Commission will consider these admissions, supplemented by your recent interviews of District Attorney Wade and Houston "Post" reporter Haskins, as important contributions to the Commission's work.

In light of our continuing review of these allegations, I would like to bring to your attention one related matter. Your letter of January 27, 1964, advised the Commission that Special Agent James F. Hooty's name, office telephone number and automobile license number, one digit off, appeared in Oswald's address book. In so informing the Commission, your letter supplied information which appears to have been omitted from an earlier report of the FBI submitted to this Commission.

cc: Mr. Rankin  
Mr. Willens - Chrono.

Specifically, the report of Special Agent Corberling dated December 23, 1963, at Dallas, Texas, beginning at page 672 purports to set forth the names, addresses and/or phone numbers contained in Oswald's address book. At page 676 of this report, certain entries are set forth with an indication that they appear on page 74 of the address book. Examination of the address book reveals that certain information has been omitted at this point in your report, including Special Agent Kosty's name, a telephone number, a license number, the date "Nov 1, 1963," and an address, "1114 Commerce St Dallas."

The Commission would like to be informed of the circumstances surrounding this omission. More particularly, it would assist the Commission in appraising the significance of this matter if we knew the names of the agents, including supervisors, who prepared this portion of the report or made any decision to omit information from the report. Needless to say, we would like a full explanation.

Thank you for your attention to this matter.

Sincerely,

SIGNED

J. Lee Rankin  
General Counsel
