As eventually you'll see, I did not forget your earlier request but I've not been able to make the search of think of the name.

If you got what Hoch has on Raikin you have all I have and probably more because I did not have a great interest in him.

What you report of official FOIA responses is par. But you have to persists.

The story on the Texas Theater is interesting. Thanks for it.

Thanks for keeping me posted and good luck,

OOOOOPS! In going to add this to what I refer to above that awaits my ability to make a search I see another name on that envelope!

Dear Harold:

Enclosed is for you file/interest. I thought you might be interested in the developments regarding the future of the Texas Theater.

I am making progress on the Spas T. Raikin angle, with some very valuable documents sent to me by Paul Hoch which I received yesterday. It appears Raikin may be still around, as he was last reported a professor at a small college in Pa. (1986) One of the most interesting things about Raikin is that his "story" about meeting LHO keeps changing in the FBI documents and interviews. I have recently received over 200 pages from Army Intelligence on the Anti-Bolshevik Bloc of Nations, a "go to hell" letter from ONI, a "you are going to have to fight for it" letter from the State Department. I have yet to hear from the CIA, or OSI-U.S. Air Force. I plan to file with the US. Dept. of Health and Welfare, as Raikin states in one of the FBI documents that it was they who sent him to the "docks" to meet LHO.

I will keep you posted.

Sincerely,

Gerald Hogan
