Mr. Charles Kuhn, librarian Hood College Frederick, Md. 21701

Dear Charles,

Thanks for your letter of the 9th but unless you need them for your records, please don't take the time for such letters. Not necessary for me. And slowly as some books are getting to you there would in time be quite a few such letters.

Times of wondon reporters have done what I regard a fine jobs on World War II spying and what relates to it. I think Jerry has some on the Profumo case, really a dofense of Stephen Ward; one on anthony Blount; and the one that was banned in Britain. My wife has not ust finished with "C", the biography of the chief British spook, Menzies (pronounced Mingiss). They all hold what I believe is significant new information, especially on the addicated King. Sorry.

Ive just gotten and in time you'll get Love in the Time of Cholera; The Spy Who Got away; The Fatal Shore; and & Bright and Shining Lie..

I enclose a copy of what I've written Gerry in the event it may be of interest.

Sincerely, Hard

Harold Weisberg

Mr. Harold Weisberg 7627 Old Receiver Road Frederick, MD 21701

Dear Harold,

Please accept my apologies for not acknowledging your most recent gift to our library, Tom Tiede's <u>American Tapestry</u>, N.Y. Pharos Books, 1988. We are certainly happy to add this to our collection.

Since we've been planning our new library, I am about two months behind on everything.

I hope to call you soon to arrange a visit. We need to look at the Weisberg collection in terms of space requirements in the new building.

Thanks for your continued interest in Hood.

Sincerely,

Marlo
