Dr. Robert N. Funk  
President  
Hood College  
401 Rosemont Avenue  
Frederick, MD 21701

Dear Dr. Funk:

I am pleased to transfer official ownership, title, and rights of control to Hood College for my entire collection of documents related to the assassinations of John F. Kennedy and Martin Luther King, Jr., as well as all documentation related to my own Freedom of Information Act efforts to secure these documents. Likewise, I am transferring all of my own personal books, commentaries, and reminiscences to Hood College. Most of these documents are already in the College's possession, but I want to be absolutely clear about my intent that ownership and control be vested with the College.

I am pleased with the College's efforts to secure these documents and with Clay Ogilvie's invaluable help to put them in electronic format so that both researchers and students will have access to their content. I am confident that over the years this collection will prove of significant value to many people, and it pleases me that Hood College will be the locus for the collection as time goes by.

Sincerely,

Harold Weisberg
