Harold Weisberg 9/30/79

Withholding of information provided to the Warren Commission

62-109090-275 reports a meeting having to do with the repository of the Warren Commission's files. Part of the information provided to the Commission originated with the FBI.

Director Hoover's note at issue, "I do not care what they do..."

This is inconsistent with any withholding of any of the information from the FBI in the Commission's files.
