Dear Comrade:

I read your excellent column concerning the Warren Commission's criticism of the FBI and wanted to send you this note to express my sincere thanks. It was certainly good of you to do this, and all of us in the FBI deeply appreciate your interest in getting the record straight with this timely, non-biting piece.

Your outstanding support through the years means a great deal to my associates and me, and we are most grateful for your assistance and the confidence you have placed in us.

Sincerely,

Edgar
