While I was at the police station, I engaged an FBI agent in a conversation and found out that he was on the subversive desk. He stated that Oswald had contacted two known subversive agents about 15 days before the shooting but the entire information was top secret and he could not tell us any more but he felt sure that the file would be turned over to our Chief.

The wife also advised that she had seen the rifle that was used in the shooting at her home about three weeks before the shooting.

She advised that she was a Castro supporter and from the interview it was felt that she is still a hard core communist.

Has she been  
covered with  
marker?

She stated that he had never mentioned killing the President but would not mention anything about shooting Connally.

She stated that she did not know the man that killed her husband.

Mark

It was felt by the interviewer that she was not telling the truth and still believed in communism.
