DONALD WAYNE HOUSE, 404 Lula Street, Ranger, Texas, was interviewed at Fort Worth Police Department, Fort Worth, Texas. He was immediately advised he did not have to make a statement, that any statement he did make could be used against him in a court of law, and of his right to consult an attorney. No threats or promises were made to him. HOUSE stated he left his home at Ranger, Texas, at about 8 a.m., November 22, 1963, and traveled directly to Dallas, Texas, via Highway 80 and Fort Worth - Dallas turnpike. HOUSE stated he arrived in Dallas about 10:30 a.m., parked his car, a 1957 Ford, green and white, 1963 Texas license DT 4857, in an unrecalled parking lot on Commerce Street in Dallas. He stated he then attempted to telephone his friend RANDALL HUNSAKER, Mesquite, Texas. He stated he was unable to contact HUNSAKER telephonically at that time.

HOUSE further stated he then returned to his car, intending to drive to Fort Worth, Texas, but that the crowd was too dense and he was unable to drive onto the street so he again parked his car and found a position on one of the main streets in Dallas in order that he could catch the Presidential parade. He further advised that after the parade, he returned to his car and headed for Fort Worth.

He advised he got lost while attempting to leave the Turnpike and had to drive on part of Loop 12 in Dallas before reaching the Turnpike entrance. He drove on, leaving the Turnpike in Fort Worth, then driving toward at Haltom City, Fort Worth, Texas. He stated he was stopped by the Fort Worth Police Department on East Beaknap Street and brought to the Fort Worth Police Department.

HOUSE denied having any firearms with him since he left his home at Ranger at 8 a.m., November 22, 1963, and denied any knowledge of the shooting of JOHN F. KENNEDY or JOHN CONNALLY on November 22, 1963.
