SUBJECT: HOUSE SELECT COMMITTEE ON ASSASSINATIONS  
U. S. HOUSE OF REPRESENTATIVES (HSCA)

**PURPOSE:** To request the services of the Engineering Section, Technical Services Division.

**DETAILS:** The FBI has agreed to provide briefings to Ranking Members of captioned Committee on extremely sensitive matters in response to Committee requests for information.

At present, it appears that the briefings will take place in some U. S. House of Representatives' office space or spaces on Capitol Hill during the week of May 15-16, 1978.

It is therefore requested that Technical Services Division personnel be authorized to conduct sweeps of the office space(s) that may be involved in the briefings. Details as to date(s) and location(s) will be furnished when available. Every effort will be made to restrict the briefings to one day and one office space.

**RECOMMENDATION:** That Technical Service Division personnel be authorized to conduct sweeps of Capitol Hill office space(s) when required in order to provide necessary briefings to captioned Committee.
