Dear "onnie,

It doesn't require an Xmas card for us to think of you all often. We see the aloe every time we look up and Lil can't miss it every time she's at the kitchen sink. And is is now plural.

I wish we were closed so we could discuss what you now say, after talking to old timers and thinking, "I have come to the conclusion that the company and FBI let JFK get killed," so you can think of your exact words.

I can make that case out for the FBI, and this has nothing to do with who did the killing. I'd like to talk to you about the CIA part.

While I've not been able to do much lately, much of anything, I do have some info I've been sitting on waiting for the right time and hoping to get back to the writing for which I lack both the energy and the help I'd need for searching files, difficult to impossible for me now.

You know another business I'd like you to be able to talk about, the correct number, which I know. I got it by accident years ago, ~~xx~~ I may have told you how.

Now that you've been rethinking, try to rethink some more on the theory, if you don't want to take my word, that Oswald did no shooting and maybe that rifle wasn't used. None of the ballistic stuff can be believed, even if true, and it would never have stood up in court. And while you are at it, suppose that Oswald wasn't even in that window, regardless of where the shot(s) came from. That would have stacked in court, which is not to say how a jury would have regarded it.

Hope you are all well and happy and that the coming year is good to all of us!

Hal

Hi,

another year has gone by
and all my good intentions
to keep in contact more often
didn't materialize.

After reading a lot of the
material you gave me and
from my own collections
and recollections, plus
a few conversations with
some relatives now in pasture,

I have come to the conclusion
that the Company and FBI did
JFK get killed.

Hope all is well with you and
Bill and that she can make
sense of the new tax forms.
Have a good year!

Janice

Season's
Greetings

AND ALL GOOD WISHES

FOR A

HAPPY NEW YEAR
