LEE EASINEY OSMALD, ANA IS A CUEA

On 1-3-64, this writer returned to Mrs. RUTH HYDE FAIND, eight pumhlets concerning the Legrue of Women Voters Tring, Texas, which had been insavertently taken on 12-22-63, under the assumption it was the property of MARINA OSMALD. A receipt for this property was obtained which will be placed in the 1-A section of this file.

At this time, Mrs. FAINE volunteered the following information to this writer and SA EARDWELL D. ODUM:

LONGIE HUDGING of the Houston "Post" contacted her on SaturdLy, 12-73-63, at which time he stated that the FBI was foolish to deny that Agent JOSEFH HOSTI, the alleged head of the Subversive Section of the Dallas Office of the FBI, had tried to develop LEE HARVEY OSWALD as an informant. Mrs. PAINE stated she made no comment one way or the other to HUDGINS regarding this, however, the did state in the presence of both Agents that she knew SA HOSTY had not interviewed LEE HARVEY OSWALD. MULGINS further stated, according to Mrs. PAINE, that A woman in Fort Worth had been told by Mrs. MARGUERITE OSWALD, mother of LEE OSWALD, that her son was doing secret government work. The above should be made a matter of record.
