Dear Mr. Lesar:

This will acknowledge your letter dated December 10, 1986, wherein you made a Freedom of Information Act request for information pertaining to William Bradford Huie.

In accordance with your request, we have conducted a search of the indices to the central records system at St. Louis and the Elsur indices at St. Louis. No record was indexed under the book title He Slew the Dreamer. Under Mr. Huie's name, we have located one "see" reference, consisting of four pages.

In processing the see reference, the pages considered for possible release included only those pages which mention Mr. Huie by name and any additional pages showing the context in which his name was mentioned.

Enclosed is a copy of four pages from our files which contain information identifiable with your request. Excisions have been made from these pages in order to protect materials which are exempted from disclosure by the following sub-sections of Title 5, United States Code, Section 552:

- (b)(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information
- (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy.

James H. Lesar, Esq.

If you desire, you may submit an appeal from any denial contained herein. Appeals should be directed in writing to the Assistant Attorney General, Office of Legal Policy (Attention: Office of Information and Privacy), United States Department of Justice, Washington, D. C. 20530, within thirty days from receipt of this letter. The envelope and the letter should be clearly marked "Freedom of Information Appeal" or "Information Appeal." Please cite the name of the office to which your original request was directed.

Very truly yours,

HAL N. HELTERHOFF
