Mrs. Kennedy. I don't remember anything. I was just down like that.

And finally I remember a voice behind me, or something, and then I remembered the people in the front seat finally, or somebody knew something was wrong, and a voice yelling, which must have been Mr. Hill, "Get to the hospital," or maybe it was Mr. Kellerman, in the front seat. But someone yelling. But just down holding him. I was trying to hold his hair on. But from the front there was nothing. I suppose there must have been. But from the back you could see, you know, you were trying to hold his hair on, and his skull on.

Mr. Rankin. Do you have any recollection of whether there were one or more shots?
