Related conversation occurring
after tea 6/17/68 with Ray.

After escape from Missouri State
Prison, prisoner stated he went
to Montreal, Canada where he applied
for a passport but did not get it.
Also wrote to U.S.A. for correspond-
ence course in locksmithing. Customs'
(check on tools which were sent
along with books caused him to
return tools for a later date.

[REDACTED] (continued) pg. 2 of 3 pages

He requested these tools while en route to Mexico some 2 months later.

From Mexico he travelled to California, but could not remember how long he stayed in either place.

Ray stated that a suitcase found with his fingerprints on it has not been in his possession for 4 months.

Ray mentioned a car he believed found by the police and connected to him and the assassination. Ray admitted the car was his. Ray also admitted he had been in Tenn. for some time but did not say when.

[REDACTED] (continued) pg. 3 of 3 pages

Mention was made of the man who fled the shooting and successfully fooled the police by using a radio tuned into police frequency causing them to go in the wrong direction.

Ray also said "I met a man from skid row and bought his social security card and took his identity," but this was not discussed further.
