Attorney General Mitchell:

Now that there is evidence that Black Panther Bobby Seale is able to take part in or direct activities involving not all the way across the country from San Francisco, I wonder if the following strange and unusual fact has been brought back to the attention of Federal or other authorities.

Some time ago Seale had been arrested in this area and was supposed to appear in court on a certain day. He did not appear and both his attorney and his wife indicated they did not know where he was. that nobody had seen him in this entire area that day. ABOUT FIVE HOURS LATER ON THAT SAME DAY THE NEWS FLASHED ACROSS THE COUNTRY THAT MARTIN LUTHER KING HAD BEEN KILLED.
