In an effort to give the widest possible circulation of Identification Orders of JAMES EARL RAY, New Orleans has determined that the Port of New Orleans has a mailing list comprising over 5,000 individuals and business firms of all types, including the shipping industry. This mailing list also includes foreign distribution.

This mailing list is not made up on the normal addressograph plates, but are gummed stickers with names and addresses which are affixed to the printed material. The Port of New Orleans utilizes a local mailing service with a special machine which does affix the stickers to the material and the Port of New Orleans has advised that they will make these gummed stickers available to use free of charge.

Inquiry at the local mailing service has determined to affix these gummed stickers to the Identification Orders, they would not charge the FBI more than \$10.00 per thousand.

Bureau authority is requested to expend up to \$60.00 in the mailing of these Identification Orders. Please advise.
