

10/13/68

Dear Lou,

I am trying to fit some pieces together. If they go, you and I will both have something. To this end, I would appreciate what you can let me have from your Masferrer file. I have a few things with me you can have if they interest you when I get there. Because I would like the help of Paul Hoch and his boys, if you can do this it would be best if you could send it to me c/o Paul Hoch, 2537 Regent St, #202, Berkeley, Calif. 94704. It would have to get there by Friday 10/25 at the latest to be able to enlist his help. If it cannot, please send it to me c/o Steve Burton.

In your files are several memos I have given you not likely filed under Masferrer that may be relevant, if the link suggests it self. If it does not, I'll tell you in person.

I do not have my tickets yet. I expect to pick them up Wednesday. Unless the reservations I asked for are not available, I will be arriving in New Orleans about 2:30 p.m. election day, which, I suppose, is a holiday. I would like very much to know whether a) the office will be open that day, in which event, if no one meets me, that would be my first stop, via the airport bus, and b) whether anyone will meet me. I am trying to borrow a car but have had no response.

If there is anything you want me to bring, please let me know by Friday, 10/18.

I hear, from a source I cannot confirm, that use is being made in New Orleans, right now, of that nastiness from the House Unamerican Committee that Bringuier distributed when he picketed Schwartz's anti-communist meeting, this time not by him but by those who look federal. The part that relates to me is either false or so distorted it bears no resemblance to reality. Ask me if you are interested in it.

Sincerely,

Harold Weisberg
