Dear Lou,

This is not an urgent request, nor is there any rush on it. It is just something I'd like to have if and when you can make copies for me, perhaps when Clency is making prints for other purposes.

I have just read the Bond testimony. Rather, I should say her resumed testimony, for the first part was not included, I suppose because you do not have it. It shows you had her pictures and used some in evidence.

I do not have any of hers, except ask they were printed, where they are not very clear and cannot be studied through a magnifying glass without the photoengraver's screen becoming a problem. I'd like a set of them to study sometime and for the completeness of my files.

When I had to lay this transcript aside, I had just started reading Phil Willis' testimony. I do not know what he made for you, what he took to you, and what you did with it. But I was supposed to meet him in N.O. We have never met. I dealt with him by mail and by phone. When I asked him to be a witness for you and to help in any way he could, I also asked him to bring with him the pictures he took that he didn't sell. He said he would. If you made copies of any of these, I'd like them also. He was going to let me see them. Here again, no rush, no urgency.

Thanks.

Sincerely,

Harold Weisberg
