Dear Donald,

I appreciate your delaying until you knew you could get the 21st off.

I had hoped you would be able to arrange to take part of the day off and to remain at work until I complete my business. This is why I asked for the phone where you work.

It is never before 1:30 that I can complete what I go to Washington for, if you can work part of the day.

As of now I can't say when I'll be finished and ready.

There may be more than the usual matters for me on the 21st. If so it will be later.

If it is possible for you to work until I know when I can leave I'll repeat Jim Lesar's phones and you can leave word for me there. Office is 223-5587, home 484-6023.

If this can't work out for you and you will be at home, please let Jim know about how long it will take you to get to his office and I'll let you know that much in advance of being ready to leave.

That way you'll not have to sit and wait.

Until after the court session and seeing what eventuates there I can't say what lunch will be. Sometimes we have to work through it. If we finish early and I can leave early, then lunch together will be fine. Trouble is I can't say now.

Didn't know you are not familiar with Washington. Don't know how you would come in from Virginia. But I guess the easiest way to find 910-16 St NW from Virginia is to come from the west on K St to 16 and ~~turn~~ <sup>turn</sup> right. It is on the right side of that block, between I and K.

It seems like a waste of time and money for you to park your car and then go to Jim's office. If I know when you'll be there I can be down stairs at that time.

If the weather is good I can be at the curb. If not I can be inside the doors, which are set back from the street quite a distance, with a large bricked area between the door and the street. Trouble is we have never seen each other.

There is a possible identification. I use an oversized brown attache case.

Maybe we can work something out by phone on the 21st. If I hear nothing else from you I'll assume you are home awaiting a call.

Thanks and best wishes,

Dear Mr. Weisberg,

Once again I must apologize for the delay in writing you, but I have had some trouble getting Nov. 21 off from work, and I didn't want to respond until I could be sure. I was ~~supposed~~ supposed to work that day, but I finally got someone to switch with me, so I hope it isn't too late to set up a meeting on that day.

If your plans are still the same for that day, I think what you said in your letter would be fine. Perhaps we could even have lunch together, if you could work that in.

It shouldn't be a problem for me to find directions to Jim Tessa's ~~office~~ office, because although I don't know D.C. that well, I know a lot of people that do.

If everything sounds O.K. to you, I give you my phone number below to call me ~~at~~ and give me details. I get home from work at 5:00 P.M. so the best time to call me would be from 5:30-6:00 P.M. I hope to hear from you soon.

(703) 256-6658

Sincerely yours,  
Donald A. Jeffers
