Honorable Marvin Watson
 Special Assistant to the President
 The White House
 Washington, D. C.

Dear Mr. Watson:

We have previously furnished to you information we have received concerning the investigation being conducted by New Orleans District Attorney James C. Garrison concerning the assassination of the late John F. Kennedy.

The news media on the evening of March 1, 1967, reported that Mr. Clay Shaw had been arrested in New Orleans and charged with "conspiracy to commit murder." There is attached a memorandum which sets forth information in our files identifiable with Mr. Shaw. Also included in our memorandum is data alleging that Clay Shaw is identical with Clay Bertrand, whose name previously came up during our investigation of Lee Harvey Oswald immediately following the assassination of President Kennedy.

I thought this information would be of interest to the President. This data is also being furnished to the Attorney General.

Sincerely yours,

W.C. Sullivan
