

RETYPE COPY OF PENN JONES LETTER

(Letterhead)

Wednesday

Dear Fred,

Thanks for the work you sent me. How many did you have printed? With your permission I might do something on this in The Mirror after May.

L.A. and I will be passing through LA on April 29 at night headed for San F. and one month in the East. Will be back May 28 and hope to do some more radio work for Jim Eason. We will do something on April 30 too.

Fred, I would love to have a long chat with you. I know a lot about the matter in which we culled out Harold, Ray, Vince, Shoener etc. It is almost unbelievable. Honest, Fred. the country is gone gone. Get out now. I feel sure what I intend to say, I must do it in 6 months. An opposition newspaper is coming to Midlothian--a town with only 817 watermeters. They didn't buy me, but they have found a way to freeze me out. So after the trip, I will print Vol. III and prepare for the jails they have waiting.

Fred, Zapruder told friends of mine he had been paid \$486,000 and that was 2 years ago. It is a ten year contract.

I think your work is outstanding. I will help any way I can except for money. Beginning in June, I'll print whatever you want printed. I mailed you a DCA film -- it is yours.

Need any of my books--just ask
When I am in jail, I want to think: "God, I'm glad I printed that rather than wish I had printed it.

(handwritten) Stick longer!
