

10/29/85

Dear Mrs. Kerby,

Thank you very much for the time you have taken to write me and for sending me what you did.

However, they represent an area into which I cannot now extend myself, so I am returning the genealogical material and the interesting clippings.

In my present work and at my age and impaired health I'm having to stick to the official records I have obtained under the Freedom of Information Act.

Sincerely,

Harold Weisberg
