

March 2

Hucold-

They sent me an extra.  
Not that there's anything all that  
valuable here, just thought this  
would be of some interest.

Right now, Tom and I have  
plans to visit probably 1st week  
of April.

Jake Case.

Dave

Dear Dave,

3/6/98

Thanks for thinking of sending the extra copy of the Fourth decade.

First week of April looks fine!

We look forward to it.

I have not kept up with the added activity at the Civil War museum but I do know that Jerry McKnight's wife is putting in some time working there. She has too much to do to waste any time so she must believe it is worthwhile.

Thanks and best,

*Harold*
