

Dear Dave,

12/27/97

Thanks for the card and for the clipping the timing of which is perfect. I'll use some of it today! I'd heard that report but had not seen this AP coverage. I've known that to be true for some time, the content. I interviewed General Gavin in 1967 or 1968 and he told me. I think I used that in Waketh the Watchman.

We had a nice, quiet Xmas. We'd planned a simple one at home when our friend that the oriental restaurant asked us to join her and her husband.

You asked about the sale of books. Slowest I can remember since ARRB was formed. I think it filled the people with expectations that I hope will at least in part be met. No reason to change how NEVER AGAIN! begins.

Be nice if you and Tom can make it again soon.

Jerry McKnight's fine The Last ~~Vietnam~~ Crusade will be on sale soon. Excellent on Dr. King's Poor Peoples Campaign and what the FBI did to it. Westview Press. I think high school libraries should have it, aside from any interest teachers may have.

Thanks and best, and all of you have a good year!

assuming he meant Frederick.
Looking forward to another
spring visit.

How's book orders going?
I will have to get back on-line
on the Internet and see what
