Dear Harold:

Just a note to let you know we are thinking of you and Lil often and hope that you are both home now and into a comfortable routine. Our visit earlier in the summer was all too short.

I am still looking for my second career job and may have to settle for substitute teaching or something less than I had hoped at least for now. I have applications in at private schools and colleges for administration, but, even in a good economy, have not gotten even so much as an interview. I have about three weeks to land something.

I have, after five years in this apartment, purchased a house in an older section of Columbus about 20 miles from where I am presently. It is a 74-year-old house with wood floors and a kitchen nook. It need a little work, but is livable, and something to work on. I will move around September 1 and will give you my new address at that time.

Steve is entering 8<sup>th</sup> grade, Chris Capital University. Both are planning on playing football. Tom Peet and I are presenting for the 6<sup>th</sup> time in 7 years at the National Council for the Social Studies annual meeting, this one in Orlando, in November as usual.

Enclosed is an article I thought might be of interest. I will keep you both in my thoughts and prayers. Take care.

Sincerely,

Dave
