Dear Harold:

Just a note to wish you a Happy Thanksgiving and many blessings for you and Lil in the year to come.

It has been frosty in the morning here and mild during the day, but looking like Thanksgiving time without a doubt. Not much precipitation.

I have gained about 10 pounds since soccer officiating season has been over, so I need to get back to the health club and running to keep that from getting out of hand during the holidays.

Tom Peet and I are talking about going to the NCSS Annual Meeting in Orlando next November after this year being off. We presented five years running, and he wants to do another with Roland Lane next year. By that time I will hopefully be in my second career job, retired from public education, but still using the experiences and skills learned to do some good somewhere.

Chris graduates from Westerville North High School in June and Stephen is in 7th grade, currently on the wrestling team after finishing his first season of football. Both are maturing in fits and starts, but, I think, getting to adulthood.

I hope this finds both of you well and getting around. I know you are keeping your minds busy. Take care. Have a nice holiday.

Sincerely,

Dave
