Resoler, Arnoll E.

- Kaffke was also an informant for the Frisco P.B., this before being one for the FRI. "e spread the misinformation about Arnold Kensler, so I presime he mas also Hal's Kessler source of years ago. ... In Hexico he gave the FRI the name Arnold only. It did its work well and figured out the right one by the time he was in Bresil. If got his picture and Kaffice confirmed from it. ... Because there is no substance to this I did not make copies. ... Kaffke is no less crany that I told Hal he is the one night I met him, when Hal had me address his group at a private home. He is so crasy he told to Mexican police that he was pro-Castro, had been there and was trying to go again. The FMI did not approve his views. ... This may well mean that the SF ED and the SF FHI have files on all in Hal's group and all he met thriugh Hal and any of them. ... Not having heard from you I presume you remain

busy and that if you spoke to Hel after getting the records D sent he said nothing of any great consequence. ...lest word on Kesalers he went back to Detroit and so

far as the records I've seen indicate he stayed there. Best EW 1/10/80
