Dear Mr. Kelley:

Assassination of President John F. Kennedy

I would like to request certain information from your office. Specifically, I am interested in the results of the neutron activation analysis done by the FBI in 1964 on the bullet and bullet fragments taken from the bodies of President Kennedy and Governor Connally. I would be most grateful if you could provide me with a copy of that analysis or a summary of it.

I appreciate your time and kind attention and look forward to hearing from you shortly.

With kindest personal regards, I am

Sincerely,
