

What this says about me ranges from deliberate distortion to plain lies. It is obvious that some agency like the FBI planted that stuff. What the CIA means in the note "early contact" I cannot even guess. There is none and I was myself transferred from the OSS

676.	5 Jan 68	James HICKS - early contact ?
677.	10 Jan 68	Jack M HELM - early contact ?
		Jules Rocco KIMBLE - CIA involvement ?
		What was in the safe deposit box (to be revealed during next month's trial of Clay SHAW - GARRISON has key to box)
		Who is Walter SHERIDAN - why did Robert K counsel him not to talk to go to Canada?
		Harold WEISBERG - early contact ?
678.	13 Jan 68	

Perhaps we should query Jeanne DIXON 77777

SECRET

THE NEWS - GARRISON subpoenaed a federal civil service employee he said "may have special knowledge of the assassination..." James HICKS, a civilian employee at Vance Air Force Base in Eldridge, Oklahoma. HICKS was at the scene the day Kennedy was shot, and may have special knowledge concerning details of the assassination with respect to its planning and execution as well as personnel employed in the assassination..." HICKS said, "I saw everything."

SECRET

THE NEWS - GARRISON Begins to Attract Attention - by Paul Scott - "...Attention of these congressional probes centers around GARRISON's interest in and handling of (1) an official testimony before the New Orleans Grand Jury... (2) a former congressional committee employee, who has given secret investigation to Jack M. HELM, former exalted cyclops of the New Orleans unit of the United Klans of America, and now head of an independent KKK group which he organized. Summoned before the House Un-American Activities Committee in Jan 66 during the committee's probe of the KKK, he was an uncooperative witness... GARRISON began his probe of HELM on a tip from Jules Rocco KIMBLE, a self-styled member of the KKK, who also claimed he once worked special assignments for the CIA. The CIA denies and GARRISON claims he will prove. KIMBLE reported that on the day after the death of David FERRIE, he drove HELM to FERRIE's apartment. HELM then came out with a satchel full of papers which, KIMBLE says, the KKK official then placed in a bank safe deposit box. KIMBLE said that Walter SHERIDAN, former Justice Department trouble shooter for the CIA, the former congressional employee whose furnishing of information to GARRISON has interested congressional probes is Harold WEISBERG, author of books on the assassination, attacking the Warren Commission, the FBI and CIA... WEISBERG is the same man who testified in 1960 before a House committee that he bought forged documents in an attempt to link the Dies committee to the Silver Shirts. (At that time the Silver Shirts was a militant right-wing organization on the attorney general's subversive list. The documents were used in an abortive attempt by a Michigan congressman to smear the Dies committee, former member of the present House Committee on Un-American Activities.) Records of the late Internal Security Subcommittee also show that WEISBERG was dropped from the staff of the late Senator LaFollette's Special Investigating Subcommittee for leaking subcommittee confidential information. In WEISBERG's book on the assassination, he contends that OSWALD was framed by an impersonator. Congressional probes are now checking WEISBERG's long-time contacts in the CIA and State Dept, including several persons who transferred to those agencies from the Office of Strategic Services (OSS) after World War II.

THE NEWS - NEWS' Pearl Gets Letter on GARRISON - by Pearl Gonzalez - "...GARRISON will be proven accurate in his plot charges," predicted Jeanne Dixon, noted Wash., D.C. seeress who predicted the assassination... "I pick up psychically..." Mrs. Dixon further enlarged on her GARRISON prediction by saying that a key figure in the assassination. She might be revealed by the investigation going on in New Orleans some time this year. She also said GARRISON will be rewarded in his probe by a lot of pearl and money from outside the U.S. ... involvement will come out in my cover...
