

FBI-King Section 78 Serials 5626-5689 62 documents, 160 pp. released

5626 on Russell X. Thompson-Hoover says no spit--to him to NYFO

5629 Hite and tramp pix.

⁵⁶³⁰
5630 Foreman told FBI he never discussed facts of case with Ray.

5631- More McFerren.

5636-Eastland

5648 and 5647, 3 and 5 pp, withheld entirely under C and D and D. Description in worksheet incomprehensible.

5648 Ray told escort taking him to prison sorry he entered guilty plea.

Unrecorded after: spying on Hite's book, seeking advance copy ms.

5654-5 they want to inspire book by Frank or Bishop, Jim. Although the worksheets say 5654 was referred to something incomprehensible it is here.

5658 FBI says Ray had written Battle and "requested a hearing." I think Battle had not seen the letter by 3/24, date Hoover's memo to Veris Leonard. This describes second letter.

5660-King's party refused security offer of police 4/3

5661 relates to Jerry Ray's attempt to get help from Kent Courtney, who told FBI. These sheets have HQ saying that news releases have Jerry in Memphis. No such stories in this file

5663 1 p, RCMP, withheld

5684 interview with RXThompson. In his story on p. 2 the obliterated names fits Youngblood but not Benavides. Later Benavides does fit.

5686 withheld, refer to illegible.
