SUBJECT: MURKIN

This is the case involving the murder of Martin Luther King, Jr.

Extensive investigation and coverage is continuing in Mexico with particular emphasis in areas where Ray has been known or alleged to have been in the past.

The Agent on the scene at Campeche, near the Yucatan Peninsula, reports that maximum cooperation is being received from both the Campeche State Judicial Police and the State Highway Police.

The City of Campeche has a population of more than 55,000 and there are seven other municipal areas in the state that comprise major population centers. The State of Campeche is slightly larger than West Virginia and has a population of 170,000.

The State police agencies in Campeche have a radio communications system covering each community in the State. They have made appropriate broadcasts and publicity has been obtained in various publications with additional publicity arranged for major editions over the weekend. Reliable Americans residing in the area are being specifically contacted.

REC-24 44-38861-3026

All hotels, motels, barber shops, liquor stores, grocery stores, and houses of prostitution in the city of Campeche have been checked without developing any information concerning Ray's present whereabouts or his alleged stay in Campeche sometime in the 1950's.

\_\_\_\_\_ also known as \_\_\_\_\_ formerly an inmate with Ray at Missouri State Penitentiary, advised that Ray took pep pills and disliked Western music. \_\_\_\_\_ stated Ray indicated a desire to go to New Orleans and spoke as if he had not been there before.

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED] also knew Ray at Missouri State Penitentiary. The informant said one [REDACTED] wanted Ray to beat up his girlfriend, [REDACTED] (phonetic), Doe Run, Missouri, when Ray got out of prison. This is being checked out.

It has previously been reported that the Postal Inspector at Los Angeles made available a letter and photograph Ray mailed through a correspondence club to Patricia K. Anderson in February, 1968.

Anderson has been located and advised she has no knowledge of the subject except for the letter and photograph she received and gave the Postal Inspector. She said she was not a member of the correspondence club and believes her name may have been obtained by the club from an old magazine subscription list. Efforts are continuing to identify and locate the other four girls Ray allegedly wrote through this club.

Local authorities now plan to seek a murder indictment against Ray by presenting the facts to a grand jury at Memphis on 5/7/68. The State Attorney General's Office has requested that a representative of the FBI testify before the grand jury and the Special Agent in Charge at Memphis will do so.

ACTION:

Extensive investigation is continuing throughout the field on a top priority basis to locate and apprehend Ray as quickly as possible.

MAP AND ONE OF THESE MATCHES THE LATENT FINGERPRINT ON THE ABANDONED WEAPON AND PAIR OF BINOCULARS. FOUR. IT WAS DETERMINED BY THE IDENTIFICATION DIVISION THAT THE LATENT FINGERPRINTS FOUND ON THE ABANDONED WEAPON, TELESCOPIC SIGHT MOUNTED ON ABANDONED WEAPON, PAIR OF BINOCULARS, FRONT PAGE OF MEMPHIS NEWSPAPER, "COMMERCIAL APPEAL," AFTER SHAVING LOTION, SCHLITZ BEER CAN AND THE TWO PRINTS LOCATED ON THE MAP OF MEXICO ARE IDENTICAL TO THOSE OF JAMES EARL RAY. FIVE. NO SIGNIFICANT DIFFERENCES WERE NOTED BETWEEN THE SAMPLES OF TAPE SUBMITTED BY HOME SERVICE LAUNDRY AND DRY CLEANING, LOS ANGELES, CALIFORNIA, AND THE LAUNDRY TAPES APPEARING ON THE SHORTS AND T-SHIRT. SIX. THE HAIRS AND FIBERS FOUND IN THE MUSTANG BELONGING TO ERIC STARVO GALT ARE SIMILAR TO THE HAIRS AND FIBERS FOUND IN THE EVIDENCE RECOVERED NEAR SCENE OF CRIME.

YOU SHOULD SPECIFICALLY REFER TO THE LABORATORY REPORT IN WHICH FINDINGS OF THE LABORATORY ARE RECORDED FOR YOUR TESTIMONY. CONFINE YOUR TESTIMONY TO THOSE FACTS NECESSARY TO ESTABLISH BASIS FOR RETURNING THE INDICTMENT. YOU SHOULD INSURE THAT THE USA OR HIS REPRESENTATIVE IS AVAILABLE TO ADEQUATELY PROTECT THE GOVERNMENT'S INTEREST.

ARMED AND DANGEROUS.

NOTE:

The Memphis Police Department turned over the evidence they recovered near scene of the crime to our Memphis Office, and this evidence in turn was forwarded to our Laboratory for appropriate examination. The Memphis authorities previously obtained a murder indictment against subject under name of Eric Starvo Galt. The evidence as forwarded to our Laboratory and the findings thereof have been returned to the Memphis Police Department.

Memphis advises that it is the intention of the State Attorney General to present material and evidence to local grand jury on 5/7/68 and that plans call for a first degree murder warrant for subject in this case. Memphis points out that according to an officer of the Memphis Police Department the possibility exists that State Attorney General's office may desire a representative of the FBI to testify in connection with certain evidence because of extensive investigation conducted by the Bureau. State Attorney General felt it would add to the case if FBI representative present to testify as to the sale of weapon in Birmingham and that this weapon is identical with weapon recovered in Memphis.

SAC, Memphis is being granted authority to testify, if necessary, and guidelines being set out as to testimony he may offer. Memphis now advises that the State Attorney General's office stated that the testimony of FBI personnel may not be needed as the FBI Laboratory report may be used to cover items of evidence. This communication is being transmitted in the event testimony of SAC Jensen is needed.

Reference is made to the Director's notations, asking why the evidence in captioned case has not been returned to the Memphis Police.

This is my responsibility. I knew of the necessity to return this evidence as soon as logically possible; however, I also realized that the Director would not want the evidence returned only to have the Memphis Office obtain it once again and send it back for further comparison purposes with new evidence.

In compliance with the Director's instructions, the evidence was to be returned as soon as Laboratory examinations were completed. There has been a constant accumulation of evidence, making it imperative that the original items be retained briefly for comparison purposes. The true name of the subject was not known until Friday, 4/19/68.

There has been no request from the Memphis Police relative to the return of this evidence. To the contrary, the police feel that this is strictly an FBI case and have indicated this fact accordingly.

The evidence will be returned to the Memphis Police immediately. There will be no consultation with the Department.

ACTION: To answer the Director's inquiry.

Dear Sir:

Seems as tho I should keep still about this, but something tells me I should write your office about the Killer of Dr King- I did phone your office yesterday about this, but feel I can express myself better in a letter —

On the Morning of April 10th, 1968 about 9 or 9:30 AM, I was standing in the door of the Texaco Station at the corner of Central Ave., and Beach Blvd waiting for the Mechanics there to Service my Car, In walks this real weird man, he walked as if in a trance looking expressionless, looked almost like a sphinx he looked straight ahead, had on a cap and asked for the Keys to the mens room, as I am a native of L A I can quickly pick any accent from another part of the country, he sounded like any native Californian or for that matter maybe the middle west, but definitely none other, than these two regions. He was well dressed as I said he had this cap on, a pull over Grey Shirt and lighter colored trousers, he was about 6 Ft tall he had on boots which may have made him appear taller weighed about 175#, and seemed a well built man, but when I saw this character cold chills ran up my spine and something told me to be very careful of this man, so I acted as if I paid no attention, he stayed in the mens room only a very short while, came out hung the keys exactly as they were, I mean very neat, and correct Then as he turned his back I watched him (He never drove his car into this station) it was pointed North off Beach Blvd., which is also Hiway #39- Now this car was something else-it didn't fit the man, the car was an old maybe 1952 or 1953 Chevy 2 Dr, which was in a bad way, he had a lot of trouble getting it to go but finally did and that was the last I saw of him, the License was Calif. I gave this info. the next day, all they say is, they cannot trace the #, but they were still trying to do so, right before him on Hiway 39 North was La Habra Heights, I don't see how his car could have made it over thos Heights, I think then he must have turned East and headed out to Pomona and the Desert Country via the Diamond Bar Canyon Road, and is now around the Desert Country of Calif, Oh yes the man I saw had brown hair and blue eyes (which seemed almost closed) his hair of course was mostly hidden
