SUBJECT: Minutemen Poster - Bearing Premier Khrushchev's Picture

On June 15, SAIC Forrest V. Sorrels, Dallas, advised telephonically that Inspector Kelley had requested efforts be made to obtain copies of an alleged poster or notice allegedly published by the "Minutemen" bearing a picture of Premier Khrushchev with wording to the effect "Wanted for Murder."

He advised that there was some information to the effect that these notices may have been circulated or be available in Houston.

The files of the Houston Office were negative in this respect.

Interviewed ASAC Paul Bibler, FBI, Special Agents Graham Kitchel and Edwin Dalrymple but none could recall any knowledge of the pamphlet and a search of their files made by the agents was negative.

Lt. Bond, Intelligence Division, Houston Police Department, searched their files and advised that an article appearing in the Houston Post, a daily newspaper, on Friday, January 24, 1964, quoted representative Henry B. Gonzales of San Antonio as making reference to the subject notice but in this newspaper article it stated the notice appeared in Dallas, Texas. The article allegedly furnished considerable information about the Minutemen, particularly about Robert B. Depew, the director or manager and the fact that "Ghillia Warfare" instructions had been given in various areas including San Antonio and Dallas by the Minutemen organization.

No copies of the pamphlet were available.

Efforts are being made to obtain a copy of the referenced newspaper article and if there is any information therein that would be of assistance in locating the notices or circulars, same will be forwarded.
