United States Senate

COMMITTEE ON APPROPRIATIONS
 WASHINGTON, D.C. 20510

August 2, 1967

THOMAS J. SCOTT, CHIEF CLERK
 WIL. W. WOODRUFF, ASST. CHIEF CLERK

Mr. Harold Weisberg
 Coq d'Or Press
 Hyattstown, Maryland 20734

Dear Mr. Weisberg:

Thank you for your letter concerning my recent address on the efforts of the Warren Commission. I am enclosing a copy of my address on the Senate floor on this matter and believe that the text speaks for itself. I have studied this matter carefully and have weighed the conclusions of the Warren Report with those of a number of critics. It is my belief, as a person and as a United States Senator, that the conclusions of the Warren Commission will stand the test of time and trust until indisputable evidence to the contrary can be produced. I regret that we disagree on this subject; however, I respect your right to hold the views that you do. I would hope that you can render me the same courtesy.

With kindest regards,

Sincerely yours,

 THOMAS H. KUCHEL
 United States Senator
