Dear Dr. Kurtz:

I received your letter and check in payment for one copy each of WHITEWASH IV and POST MORTEM. WHITEWASH IV is forwarded herewith, but POST MORTEM is not yet back from the printer. As soon as it is received, I will be happy to send you a copy.

Enclosed also is a card from the booking agency which is scheduling Har old Weisberg's lectures. He is unable to respond to you at the moment because he is currently hospitalized with an attack of phlebitis. We don't know just when he will be released.

In the meantime, his mail is accumulating. If you don't get a response from him in the next few weeks, please understand that it will not be because he is ignoring you but because his doctor has already informed him he is going to have to adjust his way of life - which means that he is going to have to adjust to a slower pace and stop trying to get tomorrow's work done yesterday.

I hope I'll be able to get POST MORTEM to you before your class ends.

Sincerely,

Lillian Weisberg

Dear Mr. Weisberg:

Enclosed is a check for \$17.00. This is payment for one copy of WHITEWASH IV and for one copy of POST MORTEM. I would appreciate your mailing me the books as soon as possible. I would like to use them in my JFK Assassination class, as I hasve used your other books. The class ends on November 20th, so, if at all possible, I would like to obtain them before then.

I would also be interested in your sending me more information about your college lecture programs, including your fees, available dates, etc. Perhaps we would be able to have you speak before our student body sometime next year.

Thank you for responding to my letter.

Sincerely,

Michael L. Kurtz Associate Professor History and government
