

Dear Fr. Lonergan,

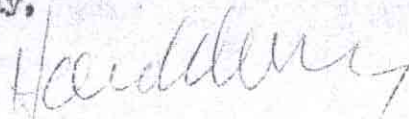

12/5/94

If as I suspect I did not tell you earlier that I'm 81, unwell, limited in what I am able to do and want very much to use what time remains to be to leave the best record I can for our history, now you know. Despite this I try to respond to all the letters I get. But I cannot take the time to address the questions you ask that have no rational connection with the assassination. One of the plagues of all the silly theories presented as fact, often by people who are ~~very~~ serious and believe them, is that it gets those trying to do factual work tarred with their brush. So I have had nothing to do with those people you inquire about, have nothing on them, and if I had the pictures you ask for, which I do not, I could not possibly undertake to make copies for all those who might want them and still have time for anything else.

I do not mean to offend but if you have read any of my work you know what you ask is foreign to ~~it~~ it.

In any event, if you write me other such letters do not expect any response.

Sincerely,

Harold Weisberg

Mr. Harold Weisberg
Dear Sir;

Can you tell us if there was any link between members of the Warren Commission & Howard Hughes.

Hughes hired many former top government officials ie General Alvin Eaker. After JFK did Hughes employ Dulles, Richard Harvey, or Capell.

Do you know of any relation between Hughes and Milton Eisenhower?

I have written the L.A. Police for James Earl Ray's associate Warden, for Warden. If you can send us his composite sketch and relating police report it will help greatly.

Finally in your revelation of the Mitter tape there is a reference to a Church bombing (Sept of 63 4 kids were murdered) and also of a Mr. Brown. I believe this refers to a Mr. Bob Brown who had links to the Lancaster California group. Do you have any photos of -
Cal. William Gale, Bob Wells, Eugene Lyons
Edgar C. Bundy, Bob Barton (one of Dale's most militant)
Clint Wheat, Dr. Stagnely Drennon
Bob Brown & Steve Wilson (both of No NAME key - Hughes)

There are 2 Dallas Police off. are
where we need details + photos

- ① Harry Olsen
- ② Buddy Walther

I thank you for your help, and
pray ~~that~~ the years of sacrifice bear fruit.

If you are limited and can only help a
little a photo of Harry Olsen
and the LAPD sketch of Warden
will help us a great deal.

Respectfully yours
George Loneragan
