

Dear George Lonergan,

2/3/94

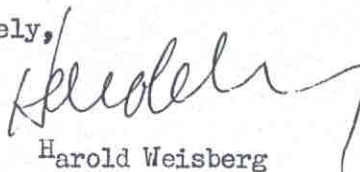

In response to your letter forwarded by AARØ, I do not have pictures of any of the six men you list. Some at least should be available from the newspaper agencies.

Of the pictures you sent, all of which I return herewith, the one I am positive I saw often and am inclined to believe is Charles Brehm, got much attention through Jim Garrison.

I also return herewith both of your checks.

Sorry I cannot be more helpful,

Sincerely,

Harold Weisberg

Mr. Harold Weisberg.

Enclosed, I have several period photo's 1962-66. Mr. Gary Shaw has been unable to help in their identities. Would you please check them for us?

We are also seeking several photos, that you may be able to help us with:

- Nofio Becora
- Cal. Dale (William)
- Carlos Queroga
- Carlos Rodriguez Quesada AKA Manuel R. Quesada
- Luis Posada
- Lucilo Pena

We wish to thank you for your contribution to truth. Enclosed please find my check for reproduction and postage.

It would be a pleasure to meet you.

Respectfully yours
George Loneragan
