Dear Mr. Liebowitz,

I have been away, hence could not answer your letter earlier.

Much as I would like to be able to help you, I can think of no way in which I can.

One thing you did not mention is the American Civil Liberties Union. This organization has a long and commendable history of helping those whose civil liberties have been denied or abused.

Their main office is in New York, and I presume they have a local branch in Brooklyn.

Sincerely yours,

Harold Weisberg

...  
 When I wrote you December 1964, in...  
 situation, and angering me...  
 by your office...  
 of my injury...

by gang landlady and parent s. Also my wife's and my hospital-and medi-  
 cal reports have been included. Later on, I came to your office and have  
 been assured by officer Gleason that police would help us. But officer  
 and answer from your office had ever come. The seargent from Precinct 60  
 was sent who had justified all actions of the police and landlady no  
 matter how wrong they may be consequently; the physical attacks on us  
 continue all along with the police blessing.

Monday, June 8, 1964, about 9:30 p.m. the landlady Julia Radin and her  
 family-- in their desperation to achieve their set out goal from start to  
 finish-- have invented a new story about a knife that I had with me to  
 attack them. This was their method on me when I had my body severely  
 injured. After I had called your office on Monday and Tuesday, June 8 & 9,  
 1964, my wife and I were whisked off to the police station charged with  
 the supposed knife attack and placed my wife and me under false arrest.  
 One of the officers while in the car on the way to the police station  
 threatened my wife-- I will shoot you. The police have advanced knowledge  
 of the fabricated stories with the intended criminal acts of my landlady  
 and family and then help <sup>them</sup> shift their crimes onto us. I turn to you again  
 for your direct help.

Brooklyn, September 21, 1966

Dear Sir:

I am turning to you, Mr. Weisberg, in behalf of my friends, Nathan and Minnie Gold, in their dire need; who, also, have a White-wash Case--Al Capone style. They haven't left a stone unturned to break through the unpenetrating wall of high-voltage conspiracy, but all in vain. The story evolves an unlawful eviction case in which a continuous wave of outrageously, heinous crimes perpetrated by landlord and family actively cooperated by police, governmental agencies in authority and naturally, Courts! They have been repeatedly threatened with dangerous methods and many-a time bodily injured, more likely permanently disabling them resulting from those violent, savage attack on them by landlady and family, and then had, the crime shifted on to them meaning that my friends have done the attacking and have been taken to Court in scores of fabricated other such instances. My friends uncontestable proof-- never have been allowed in evidence. A trio ganged-up brutal attack on Mr. Gold that crippled him--disabling him for any gainful occupation-- when rushed to the hospital by ambulance, ~~he~~ has been refused First-Aid and the report by the examining emergency doctor--negative!

The Shiffman-case,--an action involving a sister of landlady, who has been forcibly admitted <sup>by police</sup> into their apartment when Mrs. Gold was all alone --under pretentious false posing as a plumber-woman to repair the plumbing violations-- but fiercely attacked Mrs. Gold to the extent that she is under a doctor's care indefinitely. This case has been dug under by several lawyers:

The afore-mentioned eviction case, set for a trial-by-Jury-- has been manipulated by landlady into a holdover- (hold-up) case

The two attorneys--one, a thousand dollar fee lawyer, one 1,750,-- dollar lawyer, both have worked only to ruin <sup>them</sup> in every way. Instead of bringing the cases to a final end by trial by-Jury procedures-- for which they were paid in full, they maneuvered and misled them by trickery and beguiling. The last lawyer wanted to have all our cases --assault & slander cases and eviction case literally killed

at an Examination before Trial arranged by her ( a lady lawyer) with their the defendant's lawyer without ~~MY~~ knowledge. The Bar Association has refused a hearing into their misconduct.

The conspiracy extended even to the medical profession. A surgeon, Dr. David Bernstein, recommended by the next to the last lawyer, has operated on Mr. Gold's nose, falsely, in order to extort money from him. Dr. Bernstein took \$550,-- for false surgery. According to Gold's doctor and Kings County Hospital, the surgery has to be done over again.

Mr. Gold cannot receive any disability for which he is entitled also for the same reason-- again conspiracy. Even the post-office is in on the conspiracy. They have proof-- positive of that in their possession.

The Human Rights Commission too has denied them a Hearing in housing discrimination.

The harrassment and slurring is continuing on not only by their assailing defendants, who threaten them with physical attacks right now, but even their last lawyer is harrassing and slurring them in Court records and attempting to force on them her counseling even though discharged by my friends. She makes Motions in Court ordering what to do, and the Court accepting her "representing" them as lawyer of record.

I appeal to you, Sir, in the name of Justice for which you champion and also as humanitarian that you are, to please provide for them a fearless competent attorney to take their cases. A person of your caliber, ~~MA~~ I am confident, knows of such lawyer.

They have 100% I-A, iron-clad proof. Everyone concerned and interested will be well ~~remunerated~~ remunerated and compensated for, I guarantee.

Trusting, that you will be moved to concern yourself with this extremely extraordinary, voluminous case and will hear from you in the positive very soon. You will do a great beneficent turn to my unfortunate friends who deserve better treatment than their lot is presently.

May God always bless you and yours with divine beneficence

I remain

Yours respectfully  
Israel Leibowitz
