With you & family with days  
in the future. I

Entered this morning, I spoke to Harvey,  
Gus and... The film, "Put to Rest  
Robert Kennedy," was being viewed.  
A photograph, with Harold, had been  
introduced by Graham through the  
Marathon. He was present at the Roberts  
Hotel 6/4/68 & had taken photos. Mr.  
Harold claimed that he, 18777 had been  
present the film, & the photo showing  
them & the photos. I am assuming you  
know of the matter.

Mr. Quiring reported that you are  
assigned to John Hopkins Hospital. It  
may seem such a minor one but communit.  
ed. I hope that you will make a success.  
of it. Holmes, Manchester & 220.

Parliament from from the Turner's M.  
Parliament Park, N.Y. I believe to  
take photos at Washington Turner's O.
