Memorandum

100-14601

TO : FILE (89-69)

DATE: 8/15/68

FROM : SAC RIGHTMYER

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY,
DALLAS, TEXAS, 11/22/63

*Lee Harvey Oswald
IS R-CUBA*

At 2:35 p.m. this date Mr. BILL BRANIGAN called.

He advised that the Department of Justice is in correspondence with some individual, whom he did not name, and who is very critical of the Warren Commission report and the FBI.

He is making a particular issue about the present location of a pamphlet written by CARLISS LAMONT entitled, "The Crime Against Cuba".

The Bureau has checked its indices and has located a report of SA MILTON R. KAACK dated 10/31/63 at New Orleans in case entitled "LEE HARVEY OSWALD, IS - CUBA". Contained in this report is a 302 of SA JOHN LESTER QUIGLEY dated 8/15/63. On page 6 of this 302 there is information indicating that LEE HARVEY OSWALD was interviewed by the NOPD at his request and that at the time of his interview he had in his possession three documents, one of which was "The Crime Against Cuba". On page 9 of this 302 is indicated that QUIGLEY obtained possession of these three documents.

Mr. BRANIGAN wants an immediate search made of our files in an attempt to locate that document. He wants a telephone call whether we find it or not and as soon as it is located he wants it xeroxed back and front and sent to the Bureau to his attention.

There is some inference that this pamphlet "The Crime Against Cuba", which OSWALD gave to QUIGLEY is different than the regular issue of this pamphlet.
