## Dick Gregory, Mark Lane to be LA F.P. 10/13/18 Inaugurated on March 4, '69

Independent write-in President of the United States in exile, Dick Gregory, announced that he and Mark Lane, his chosen Vice President, will hold inanguration ceremonies in Washington on March 4, 1969, Gregory said that his first concern will be a world Sood program to eliminate hunger in America.

"We are going to deal with people all over the world and per-haps teach governments to spend as much time and money and scientific genius to guarantee that people are fed here on earth with as much of an effort as we are trying to get to the moon," Gregory began another fast on Thankagiving day, He will take

March 4, '69 no nourishment other than dis-tilled water until New Year's. "This time I will be having to dramatise the reality of the buosands of American citizens who are undernourished in this country where farmers are paid not to produce food, and crops are plowed under and destroyed in order to support farm prices. "I am talking about human beings who are not only Black, and White people, but of Mexican-hare to support farm prices. "The treatment of Mexican-have experienced unspeakable hardships under inhuman condi-tions for generations. "The treatment by the United States Government of these native Americans whose territory we occupy, continues as our present presidet shame and will disgrace us before the rest of the world until these conditions are changed. I am making this topic my pri-mary oncern in the hopse that all citiases will make it theirs." Gregory said;
