PUBLISHERS' WEEKLY

The thrilling
story of a lone
determined man
who stood up
to "the Establish-
ment"—and won!

By the author of last
year's #1 best seller,
RUSH TO JUDGMENT

It may read like *1984*, but it's all true — Mark Lane's gripping, fully documented story of how the U.S. government and the communications industry attempted to suppress his investigation of the Kennedy assassination — and failed. Readers who were enthralled by *Rush To Judgment* (140,000 sold in hard covers) will be equally fascinated by this stirring account of what one man — virtually alone — can do when he is determined to break through an official "curtain of silence" and bring the truth to the American people.
