

THE LOEB PROGRAM BOARD
TELEVISION COMMITTEE
PRESENTS
Mark Lane's Series 1

MARK LANE

Who killed John Kennedy? The reports are so many that Mark Lane is the director of the TV series in tonight's program. Lane testified before the Warren Commission and if he is still going to do history, he will screen the suppressed report of the Kennedy assassination and other reports covered up by the FBI, CIA and other federal agencies. Mark Lane is the author of the best-selling book *Assassination and Executive Action*.
